A SELECT HOLIDAY HOME PARK IN THE SHROPSHIRE COUNTRYSIDE

Foggy Bottom is a small, select family run holiday home park for static holiday homes which are solely for the use of owners, their family and friends. The park has an idyllic location in the beautiful Shropshire countryside on the banks of the river Caebitra, which is also the border between England and Wales. It is just one mile west of Churchstoke and within one and a half hours of the Midlands.

Our small rural park is maintained to a high standard. The park is open plan and we undertake the grass cutting weekly throughout the season. The terrain is flat and the roads tarmacked, this makes the park and its facilities easily accessible for the disabled.

The park is open for eleven months which means owners can get the most from their holiday home, and enjoy the changing seasons.
