A YORKSHIRE DALES
TOURING, MOTORHOME
& HOLIDAY HOME PARK

Welcome to Riverside

Located on the border of the Yorkshire Dales, the Forest of Bowland and the Lake District, Riverside Caravan Park allows you the chance to escape to peace and tranquility.

Whether you're looking for a short break or a regular bolthole, our park is perfect for families of all ages or couples looking for a blissful hideaway in an unspoilt and delightful area.

The caravan park has been owned and managed by the Marshall family since its development from a green field site in the late 1960s. Over the years the park has evolved in line with changing customer needs, offering you a modern and fresh holiday location. The facilities are provided for holiday home owners, touring caravans, motorhomes and trailer tents.

We are open for 10 months, from 1st March to 2nd January annually.

Touring

Riverside Caravan Park has 61 level, grassy and well-drained touring pitches – including fully-serviced hard-standing, hard-standing and grass pitches. Each pitch is generous in size with lots of space to give you room to enjoy your holiday.

Our fully-serviced pitches each boast a water stand pipe and grey waste pipe as well as adjacent gravel space for awnings or seating. All our pitches offer electric and TV points and complementary Wi-Fi is available, accessible through a simple login method.

Seasonal Touring

The park has an area dedicated to seasonal touring including 50 fully-serviced, hard-standing pitches surrounded by level grassy areas.

All seasonal touring pitches have a gravel base and full services including 16 amp electricity supply, digital TV point, water point and waste point. They are clearly marked out, generous in space and well-kept all year round. Seasonal Tourer customers benefit from complimentary Wi-Fi throughout the season.

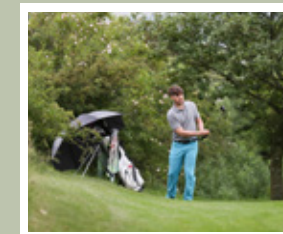

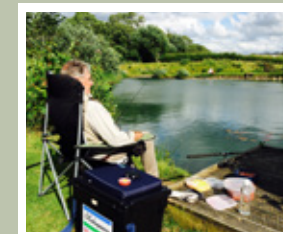

Activities

Riverside Caravan Park is nestled on the banks of the River Wenning, screened by trees and natural hillsides with excellent walks along the riverbank and in the surrounding countryside. For the more adventurous the “**Yorkshire Three Peaks**”, which takes in Pen-y-ghent, Wharfedale and Ingleborough, are very close by.

If walking isn't your hobby of choice then you certainly won't be short of other things to do. The River Wenning is ideal for those who enjoy fishing and is stocked regularly to ensure you land your daily catch. For those who prefer coarse fishing, Riverside has its own **fishing lake**.

Bentham Golf Club is a 7-iron from the park and customers can enjoy half price green fees all year round. Equipment hire, including clubs, is also available if you can't fit the excess baggage in the car. **Cycle hire, pony trekking** and **arts trails** are just a few additional activities available when you holiday at Riverside Caravan Park.

The on-site **outdoor adventure playground** is perfect for the children to burn off any excess energy, make new friends and create their own memories. We also have a small **playing field** should you have any budding Rooneys or Messis eager to hone their skills whilst on holiday.

Bentham itself has plenty to offer with six pubs, two Indian takeaways, a Chinese takeaway, fish and chip shop plus various sandwich venues to satisfy your appetite. We have a Co-op and Spar, which are both open from 7am until 10pm daily, as well as local butchers, bakers, greengrocers, a chemist and several boutique stores.

Join us today and see if it's as delightful as we say: we look forward to welcoming you to the family.

Holiday Homes

We provide all the services you need to enjoy your holiday home. Our hard-standing holiday home pitches are fully serviced (including mains drainage, private water supply, electric and TV points) and beautifully maintained. All are spacious, level, grassy and well drained. Holiday home owners also benefit from complementary Wi-Fi throughout the season. We have CCTV around the park to ensure you feel safe when you're with us or away from us.

You'll find it hard to resist the atmosphere at Riverside
a truly relaxing, rural retreat.
